

## Editorial Introduction

This July, the *Independent Journal of Management & Production (IJM&P)* is launching a Special Edition in partnership with the Organizing Committee of the *3rd International Conference on Logistics and Operations of IFSP- Suzano (IFLOG)*, held by the *Federal Institute of Education, Science and Technology of São Paulo - Suzano Campus*, in October 2017.

The *IJM&P* and *IFLOG* partnership, to publish this SPECIAL EDITION, aims to promote the most relevant papers presented during III IFLOG, showing the results of the best of the research carried out and presented during the event.

We congratulate all the authors for the papers presented during **III IFLOG** and that, by merit, had their papers accepted in our journal in English. We would also like to thank the scientific committee of **III IFLOG** for its support, from the selection of the best works to the finalization of the publishing process.

In Table 1 we present some information about the event showing its evolution.

Table 1: Editorial information of III IFLOG

Indicator	1st IFLOG	2nd IFLOG	3rd IFLOG
Submitted Articles	89	113	260
Approved articles	65	89	130
Articles approved for IJMP	9	14	10
Number of participants	450	770	3240

We hope that our effort in publishing this Special Edition will be useful to all our subscribers, as well as to the international scientific community. In desire that the *IJM&P* and *IFLOG* partnership continue to yield positive results for Brazilian research in the most diverse areas, we are currently working on the organization of the 4th edition of the Conference - **IV IFLOG**, to be held between October 24 and 25, 2018. We invite researchers to submit their papers and soon we will be releasing more information about the next edition.
